Product Description

EVERBUILD Caustic Soda is a white granular powder which when added to water produces a solution which is ideal for unblocking drains and heavy duty cleaning.

Benefits

- Convenient 500g pack.
- Powerful fast acting formula.

Limitations

- Use only as directed
- Store in original container.
- Dispose of product and packaging correctly.
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

Application

Before opening container **THOROUGHLY** read health and safety section and wear equipment detailed. Hold container away from face when removing cap. Store product upright at all times with lid securely fastened.

Unblocking Drains or pipes – sprinkle the contents of the pack into 5 litres of cold water and stir with a stick. Take care, as product will heat up. Pour immediately and carefully down the drain or pipe. After 20-30 minutes flush with boiling water. Repeat if necessary.

Heavy duty cleaning – use same method as above however use approx. 125g of Caustic per 5 litres of water. Rinse areas thoroughly after use with clean fresh water.

Health & Safety

Causes severe burns. Always add caustic soda to water never the other way round. Always use cold water for mixing, never hot water. Dispose of any unused solution down the foul drain. Thoroughly wash gloves after use and before removal. Replace caps tightly every time product is used. For full list of hazards consult MSDS.

Storage

Store in cool dry conditions away from sunlight and moisture. Store in original container. Keep out of reach of children.

Shelf Life

24 months from date of manufacture.
