

READY MIXED WALL COVERING ADHESIVE

Colour	Product Code	Pack Size	Box Qty
-	WALLREADY4	4.5Kg	2
	WALLREADY10	10Kg	1

Product Description

EVERBUILD Ready Mixed Wallcovering Adhesive is a ready mixed paste suitable for hanging all wall coverings including sculptured, blown and textured vinyl, washable and heavily embossed wallpapers. This product has a high initial tack combined with excellent adjustability for accurate positioning.

Benefits

- Easy application smooth formula.
- Works on most types of wallpapers.
- Contains a powerful fungicide to prevent mould growth whilst the paste is drying.

Limitations

- Use only as directed
- Store in original container.
- Dispose of product and packaging correctly.
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

Application

Ensure surfaces are clean, dry and free from any loose or flaky material. Gloss or non porous surfaces should be rubbed down to improve adhesion. Porous surfaces should be sized with a 1-1 dilution of this paste with water before hanging. Use neat when hanging and apply with a brush, roller or fine-notched trowel. Wipe off excess with a damp cloth before product dries. Clean tools immediately after use with warm water.

COVERAGE – approx. 1kg per roll of wallpaper.

Health & Safety

Consult MSDS for full list of hazards.

Storage

Store in cool dry conditions and protect from sunlight. Protect from frost. Storage outside these parameters will dramatically reduce shelf life.

Shelf Life

12 months from date of manufacture.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired. Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product. Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.
